

The Prestons

Serving in Washington, Utah

June 16, 2026

Dear Praying Friends,

We are now entering the extreme hot season of southern Utah. The spring for the most part was above average in temperatures, and the summer heat is wasting no time coming upon us with several days this week projected to hit 106 degrees and most days hovering around 100-102. We have been able to go out door to door each week but have had to change our outreach time from 10 am to 9 am but even at that it doesn't take long for the temperatures to drive us back in doors. It is certainly a change from when we were in Mt. Pleasant, and we were dealing with frigid temperatures that cause us to retreat in doors. We are looking to the Lord to bring fruit from our labors and open hearts to the Gospel. We so much want to see people come to saving faith in Christ and for this church to grow.

We are thankful for the new folks who continue to come that we wrote about in our last letter. The Lord has brought a new man to us in recent weeks. Brandon recently moved from WV to be closer to his girlfriend who moved back to her family here in Washington. Last week Brandon told me that he had to break off his engagement as he realized there would be problems between him and her family as they are Mormons and he isn't. I'm thankful that he has come to this conclusion, and we are hoping to have him over soon so we can find out more about him. I know he comes from a Church of Christ background and has also attended Baptist services when he lived in WV. Please **pray** for him that he'll grow in God's Word and that he will recognize the vast difference between biblical Christianity and the Mormon beliefs and ultimately steer clear of reentering an unequal yoke.

Over the last two months I have been meeting weekly with a young man that has been struggling with a full confidence in the accuracy of Bible and whether or not we possess all that God has given man in the sixty-six books of the Bible. We have spent each week talking about various subjects that he is seeking clarity about. I'll not name him at this time but simply ask you to **pray** for his heart to open to the Lord's working in his heart and mind and that he'll reject the doubts about God's Word that Satan has sown.

Millie is hoping to start a Bible study with a young lady that is planning to get married in the next year. She has also been having ladies fellowships each month and is

weighing the possibility of helping in the kitchen at camp for Spanish camp in August but isn't sure if her knee and hips will allow her to assist or not.

Millie and I are truly grateful for your faithful prayers and for each church and individual who faithfully support us financially. It is our continued prayer for you that the Lord will give you fruit for your faithful labors for Him.

In His Service,

David and Millie Preston
