The Price Update

Over the last several months life and the ministry has been keeping up quite busy. We had a group of fourteen young people come and help us for two weeks at the beginning of June. The Lord truly blessed during their time here. We were able to distribute 10,000 tracts, work at the church on special projects, evangelize in the local markets, and have a concert during the time they were here. Something very exciting happened while the group was here, two people prayed to accept Christ as Savior. Please pray that God would continue His work in the lives of these two people. Another exciting event for us at the church

was the church retreat that we had at the end of June. We were able to spend time as a church family around God's Word and be encouraged by the fellowship of other believers. Please pray for us this week as we are endeavoring an evangelistic outreach during the Tour de France that is coming through St. Gaudens the 16th of July. Please pray that God would use this time to touch the lost.

Mission Board Change

As most of you all know by now, Go Forth Baptist Missions is closing it's doors at the end of August. Though we were not expecting this to happen, the Lord directed during this major time of transition. The direction in which we were to go was made clear by God's leading while we were searching for another mission board. As of July 8,

World Wide New Testament Baptist Missions will be serving as our mission board. We praise the Lord for how He has provided in this area of need, and how WWNTBM welcomed us with open arms. Please pray that this change in the ministry would be for His glory and would allow us to continue serving Him for years to come in France.
