Church Update

There always seems to be highs and lows in the ministry. Here recently, the church has faced a difficult situation. One family left the church because of hurt feelings with another family. Please pray that God would intervene in this situation and that the parties involved would forgive each other and move forward for the Lord.

The Lord has also blessed in the fact that Paul has been faithful to the church and has even brought his family with him on a couple of occasions. Pray that he would continue to grow in his Christian walk. Please also pray that his family would trust Christ as Savior.

Bible Exhibition and Other News

Over the last two months, the Lord has shown himself faithful in so many ways. One way that the Lord has blessed was in the decisions that people in the church have made after the Evangelistic/Revival services. Lord willing, we will be baptizing Noé and Pilar the 22nd of April. They both came and expressed a desire to be baptized after hearing Randy Chovan's testimony. Another man (Paul), started coming to church, and has been faithful to all the services of the church since the special meetings. I have been inviting Paul to church for over a year, and with God's help, he has decided to begin walking with the Lord again.

Please be especially praying for us at the end of April. We will be having two of the members of the Apollos Program with us at the church, and they will be helping us to distribute the gospel of John and Romans to every home in Saint-Gaudens. They will also help us man the Bible Exhibition that we will be having the last week of April along with an evangelistic conference. Please pray that God would use this outreach to touch the lives of those in our area for the Lord Jesus Christ.
