Baptisms, and Professions of Faith

The Lord has blessed greatly in the ministry over the last couple months. On the 22nd of April, we were able to baptize Noé and Pilar Manyá. This young couple accepted Christ as their Savior last summer, and made a decision to be baptized during the revival meetings we had with Randy Chovan at the first of the year.

Another recent blessing, was the profession of faith that Bruno made. Bruno is Paul's uncle, who I mentioned in our last prayer letter. This family has been coming to special events at the church for well over a year now. Please continue to pray for the rest of the family. Paul and Bruno are the only believers. Pray that God would continue His work in the hearts of this family.

Classical and Sacred Music Concert

The 1st of June, we will be having a classic and sacred music concert at our church. We will be inviting unsaved friends and contacts to this event, and are praying that God would allow us to see souls saved through this outreach. A group of young ladies will be coming from Pensacola, Florida to help us with this outreach. They will have concerts in several other churches as well during their time in France. They will also be helping in our church with "manual labor," and will be singing at the different weekly markets in our area.
