Church News

The Lord has blessed us the last several months. We seen many visitors come to the church, and one new family says that they will be coming to our church from now on. Another great blessing was Paul's decision to be baptized. Lord willing, we will be baptizing Paul the end of Aug. or the beginning of Sept. Pray that he would continue to grow spiritually as we work through discipleship material together.

During the next two months, we will have two evangelistic outreaches. We will be showing a film the end of July that shares clearly the Gospel message, and in August, we will be having "Friend Sunday". We are encouraging the people of the church to invite one unsaved friend with them to church. Please pray that God would use these outreaches for His glory, and that we would see souls saved.

Another blessing was that the Lord allowed us to receive 8,000 John and Romans, which we will begin to distribute in mailboxes. Praise the Lord for His provision! Please pray that His Word would touch the hearts of others.

Family News

Over the twelve years that Melissa and I have been married, the Lord has not allowed us to have children. Recently though, we have been blessed in a great way. Melissa is now pregnant and the doctor says that we should be bringing home a little one at the end of January or beginning of February. This will be a major change in our lives, but we have been looking forward to this for a long time. Please pray with us that God would protect and provide every step of the way.
