### Upcoming Church Events

Please pray for us during the next couple of months. We will continue distributing John and Romans. We will also be having "Thanksgiving" at church. This will be a time when many of the people in our church will be inviting their families to come. We will also be preparing a Christmas program and using this occasion to reach the lost for Christ. For 1 week, we will also have a "Pause Café". During this time, we will open the church to passing shoppers during the Christmas market, and offer a cup of coffee along with the Gospel message.

### Happenings

What a blessing to serve our Lord in the harvest. September and October were busy months. Mid-September, the Lord allowed me to preach 4 times during a conference in Perpignan for an evangelistic outreach. Many decisions were made, and several contacts came to the church for the first time. At the end of October, two major events occurred. The first, I was able to finish the video class on the book of Hebrews that I was recording for a Bible institute here in France. The second, was the pastor's fellowship in Paris. I will be serving as treasurer of the fellowship for the next 4 years. Please pray that God would continue to give the wisdom needed in these different areas.

People of the church

The church continues to reach out with the Gospel. The distribution of John and Romans continues, and the church has been able to cover 4 towns around us with the Gospel message. The Bible stand is still used to reach those at the market every Thursday, and discipleship lessons are studied each week with several in the church.
