Youth Group

We have been able to start having youth activities with the teenagers of the church over the last several months. Recently, we went sledding in the Pyrénées. Please pray with us that we would be able to encourage these young people as they face many challenges in remaining true to their faith in Christ. Pray that they would become true witnesses for Him in their schools and homes.

The Lord has greatly blessed us since our last prayer letter. Karis Isabella Price was born on January 24 at 1:10 AM. What a great blessing and responsibility to have a child in our home. The nights are shorter and the days longer, but when she smiles, life is as it should be. Praise the Lord. Please pray with us that we would be able to raise Karis in the ways of the Lord, and that she would be an added blessing in the ministry as we serve Him.

In spite of the business with a new baby in the house, the Lord has blessed, and we have seen progress in the church. We have had several visitors recently stemming from the continued distribution of the John and Romans. Please pray that we would be able to continue to reach out to the lost in our area through distributions, door-to-door, Bible Stand, and other outreaches. Things are a bit more difficult with the poor weather during the winter, but with the Lord's help, we have seen good progress in these areas. Another great blessing has been that several of the men of the church have a real desire to be involved in the distributions of the John and Romans.
