### **US Trip**

We will be making a short trip to the US from 6/13 - 7/16. We will be attending Family Week with our mission board, seeing our home church, and spending time with our family. One major reason for this trip is so the family sees Karis for the first time. Pray with us that God would bless our time in the US, and that He would protect us in our travels. We will also be finishing full acceptance into our new mission board during Family Week.

Praise the Lord for His many blessings in our lives. Though there are always ups and downs in the ministry, we have seen God bless in many ways in our little church in Saint Gaudens. One such blessing is the decision of one of the men to be baptized. We will be having a baptism the 9th of June. We are waiting until this time so that the water is a little warmer. We are at the foot of the Pyrenees, and at this time of year the water is a little above freezing since it is primarily snowmelt coming off the mountains. Pray with us that this time will encourage others to make a decision for the Lord and follow in believers baptism.

Please also pray with us as we will be hosting a group from the US the end of May for two weeks during which time we will be having a Music Outreach along with other ministry opportunities. We have reserved a facility that will allow us to have a little over 100 people, and are praying that we will be able to fill it with contacts that need to hear the Gospel.

Please also be in prayer for us as we go through a major transition in the church. This summer, three large families in the church will be leaving because of a job transfer, school, and ministry. The church will lose 20+ people in a matter of a month. Pray that the others will not be discouraged seeing this large exodus. One of the families leaving is the French national's that the church ordained several years ago. The Lord has led him to take another church as pastor. Though we were hoping that he would be the pastor here, God has other plans for them.
