

## THE · PRICE · UPDATE

September - October 2013

### PRAISES and REQUESTS

- Praise the Lord for the new contacts that have been made recently.
- Praise the Lord for a new couple and man that are coming to the church.
- Praise the Lord that children's Sunday School has restarted for the school year.
- Pray that people would be open to the Gospel as they receive tracts from us and the people of the church.
- Pray for the Greek class that I will be teaching at a Bible institute.
- Pray for the speaking engagements coming up, that it would be an encouragement to all those who are involved.

### Building

The Lord has blessed the church in that we were able to rent the building that we are in from a family of the church. They are no longer with us because of a job transfer and are wanting to sell the building. They are willing to sell the building to the church for 60,000€. Please pray that the Lord would show us his perfect will, whether the church should try to buy the building or find another rental. If He leads us to buy, please pray that He would provide the finances.

Where have the last couple months gone? It is hard to believe that fall is right around the corner. We praise the Lord for how He has blessed in our summer activities. The choir camp was a great blessing with another CD being recorded. Many long hours were involved with the choir and all the prep-work before sending the CD to be burned by another company. Please pray that the CD would be a blessing to all who hear it.

Karis Isabella Price

In the next couple of months, we will be very busy speaking in different churches and teaching in an institute. Next week, I will be teaching Greek in the Bible institute at Lille. We will also be going to Strasbourg in October for a weekend concerning "The Life of the Couple," and the following weekend, I will be in Paris for a fellowship meeting. Pray that the Lord would bless as we seek to minister to people in these respective ministries.

Lord willing, we will be restarting the Bible club next month at the church. A great blessing is that several of the church desire to be involved in the club. Please pray that we would reach many children for the Lord through this outreach.
