MISSIONARIES TO FRANCE

THE · PRICE · UPDATE

May - June 2014

What an encouraging couple of months we have had. The Lord has allowed us to see progress in the lives of people of the church, and to also see Pasquale saved. Pasquale, as mentioned in our previous prayer letter, has started coming to the church regularly, and we started working through discipleship lessons. The very first lesson was on assurance of salvation. It was during this lesson that she understood that she was not saved. Praise the Lord that she placed her faith in Jesus Christ as personal Savior. Please

pray for us in the next couple of months as we continue to serve the Lord in France. I will be teaching one more time in the local Bible institute in Toulouse. The church will also continue to pursue its different outreaches: weekly Bible stand at the market, distribution of the Gospel of Luke, visitation, Bible Club, youth group, etc. The ministry keeps things busy for

us, and it is a blessing to be able to serve our great God amongst people who need to hear the Gospel.

PRAISES *and* REQUESTS

- Praise the Lord that Pasquale trusted Christ as Savior.
- Praise the Lord for the good turn out for the game night at church.
- Praise the Lord that we are seeing several visitors come to the church.
- Pray for Wilson's salvation. He is the husband of a lady who comes to church.
- Pray for growth in the church, both spiritually and numerically.
- Pray for Romuald, the summer intern, that we would be a blessing to him as he ministers to the church this summer.
- Pray for the different institute classes being taught.

Game Night

In April, the church organized a game night, where the people of the church invited their friends and family to come and play different board games. During the evening, we ate, played and shared the Gospel with 15 lost souls. What a great blessing to see that almost half the people who came were unsaved contacts of the church folks. Please pray that as we maintain contact with these people that we would be able to see souls saved.
