### Family News

For more than twelve years, Melissa and I were not able to have children, but the Lord blessed by giving us Karis almost two years ago. Lord willing, in March, we will be bringing home another baby. Please pray that the pregnancy continues to go well, and that the Lord would give Melissa the strength needed. Praise the Lord for this great blessing that He has given us.

The Lord has blessed in so many ways over the last several months. Our church's outreaches were a great blessing, and we have seen new people come to the church. Antoinette was met at the Tour de France

while we were distributing tracts and witnessing. She had just moved to Saint Gaudens, and was hoping to find a Bible believing church. During the Tour de France outreach, we were able to distribute more than five thousand tracts. Since then, we have had several visitors to the church as a result. Please pray that we would see these people trust Christ as their Savior. The Festival outreach was also a great blessing to the church. We were able, with the Lord's help, to distribute more than a thousand wordless book bracelets. We even received a phone call to the church thanking the church for having distributed the bracelets to the children. What a great testimony this was for us!

Some of the people from a church fellowship meal.

Please pray that we would see fruit from this effort, and that God would be glorified from His Word

being sown.
