

THE · PRICE · UPDATE

November - December 2014

Life has been busy during the last couple of months. From teaching in an institut to preaching in a conference, we look forward to serving the Lord in France as this year comes to a close. The Lord has given several opportunities to share the Gospel with the lost recently, please pray that they would come to a saving knowledge of Him. Serge is one such person. He is 90 years old, and came to the church for the « Pause Café » last year, which we will be having again this year in December. We did not see him again till a couple of months ago, and he has started coming to church on occasion. Pray that he would trust Christ before it is too late.

A lady in the church brings an older man from a local nursing home to church regularly, and this has opened a possible opportunity to hold services in the nursing home. We are waiting on a response from the nursing home to know if we can hold services for the residents. We are praying to have their answer by the first of the year.

PRAISES and REQUESTS

- Praise the Lord for a renewed spirit of fellowship in the church.
- Praise the Lord for Karen's desire to grow in the Lord.
- Pray that we would be able to start a ministry in the local nursing home.
- Pray for Melissa's pregnancy, that all would go well.
- Pray for the « Pause Café » that will be held during the Christmas market.
- Pray for Serge, that he would trust Christ as Savior.
- Pray that God would bless during the time that the Apollos Group is with us.

The Apollos Group

Several years ago, Tim Knickerbocker began the Apollos Group, a program that is open to both French and foreign young people who desire to serve the Lord during one year on the French mission field. During this year of service, the group serves in local churches while receiving different Bible classes from the varying pastors who are involved in the program. Our church has the blessing to host this group during four weeks this year (11/17-12/09). We will be doing street evangelism, Bible surveys, and different tract distributions along with classes three days a week. Please pray that this would be a time of blessing, and that we would see souls saved.
