Bible Institute

Just like last January, the Lord gave me the opportunity to teach in a Bible institute. Please pray that the Lord would call more young people to the ministry. There is a great need for French pastors. This year again, a goal that I had when I taught at this institute in Paris was to find an intern for this summer. Praise the Lord that there is a man who is training to be a pastor that will possibly be coming to intern in the church. Pray that the church would be a blessing to the intern, and that the intern would be a blessing to the church of Saint-Gaudens.

Oh, what a busy time we have had the last few months. In December, we had our "Pause Café". It was a great blessing to see God work through this outreach. We had between 60-70 people come to the church to have a cup of coffee, and talk about the Lord. Please continue to pray with us that we would see souls saved for the glory of God. We also had our Christmas program in December. The church was full, and we had many visitors. Another great blessing was to have the Apollos group with us during three weeks. They were a great help in distributions, the Bible club, and manual work in the church. Please pray that the Lord would use this training program to call more French nationals to the ministry. In January, we were able to begin the new year with our regular outreaches such as Bible Club, Bible stand, and tract distributions. We will also have a "Paella" evangelistic outreach the end of February. The people of the church are already inviting their contacts to come to this outreach. Pray with us that we would again see souls saved. Please pray that God would bring forth fruit for the labour.

An encouragement for us is that Ann-Marie, a contact of one of the ladies at church, trusted Christ as her personal Savior. She has been coming to church regularly since November even though she has broken her foot and is in a rehabilitation hospital. Please pray that she would grow in her new found faith.
