July - August 2015

### PRAISES and REQUESTS

- Praise the Lord that Autumn and Marie are with us to help in the ministry.
- Praise the Lord for the baptism that we had in the church at the end of May.
- Pray that God would convict the hearts of the lost who have heard the Gospel.
- Pray for the Tour de France evangelism outreach.
- Pray for the baptism of Patricia that will take place at the end of July.
- Pray that all will go well with Sylvain and his internship in the church and that we would be a blessing to him.
- Pray that the Lord would work in their hearts those who have recently left the church.

Thank you for your prayers over the last couple of months; we have needed them greatly. We have seen the Lord bless in the church with several making decisions for the Lord concerning baptism. We have also had many opportunities to share the Gospel with the lost, but with these blessings there have been a few trials. One trial was the death of my (Dave) Grandmother. I returned to the U.S. for the funeral in June. Another trial was that we had a group within the church leave recently who have started to cause problems. Please pray that the Lord would work in their hearts, and that they would again walk with Him.

Please continue to pray for the different ministries that are planned for this summer in the church. Summertime is a difficult time in French churches because all are on vacation. As we continue to serve Him during this time of vacation, please pray that we would be a blessing to Autumn and Marie who are here from the U.S. to help in the church. Please also be in prayer that the intern who will be with us at the end of July would be able to experience the day-to-day ministry of a church plant in France.

A great blessing that we will have at the end of July is Patricia's baptism. Patricia has been in the church for several years. She has become very faithful and has a servant's heart.

### Tour de France

Please be in prayer for the evangelistic outreach at the Tour de France. We are looking forward to seeing how the Lord will bless. We have ordered 10,000 tracks that were designed by Autumn. Please pray that the Lord would protect us physically and prepare the way before us. This is a great opportunity to reach many with the Gospel message.
