#### Pause Café

As we have done the last several years during the Christmas market in Saint-Gaudens, we will again have our Pause Café. Please be in prayer for us from the 12th to the 19th of December as we share the true message of Christmas with those who enter the church to drink a free coffee. Last year because of bad weather, we had 60+ people come to the church for coffee. Please pray that we would have good weather and that we would see many visit the church not only to be warmed by the coffee, but also to find Christ.

Lately, we have been learning again to trust the Lord through difficulties. Melissa has had a few health problems, but we praise the Lord that things are progressing in the right direction. Thank you for your

faithful prayers for her as she continues to recover (five kidney stones). We also praise the Lord that the ministry has progressed, and that we are seeing several mature in

their walk with Christ. As we look forward to Christmas, please be in prayer for us as we prepare for our various outreaches. We will be kicking things off with a Thanksgiving meal at the end of November at church where we invite our unsaved contacts to participate. The Christmas program is also another time where we have many visitors who will hear the message of the Gospel. During these different activities, please pray that the Lord would prepare the hearts of those who will hear the message of salvation. Please pray that we would see souls saved for His glory as we celebrate His birth.

*Merry Christmas*
