- Pray for the missions team that will be with us in July that we would be able to change the roof on the church.
- Pray for our personal financial support.
- Pray for the evangelistic outreach at the Tour de France.
- Pray for a summer intern for the church.

We are so grateful for your faithful prayers and support for us and the ministry in France. We praise the Lord that Melissa went through surgery on her knee without any difficulties, and that she is recovering well. We are also thankful for the great turn out that we had for the music outreach in April. What a blessing to see the Lord working in the heart of those who heard the Gospel! A lady that came last year came again this year and is attending church regularly again. We are also blessed that a new couple has started coming to church recently. They are in a trial period for work at a local hospital. The couple was very involved in their church in Paris. Please pray that if the Lord allows them to stay for work that they would become helpers in the church. Please also pray for us as we start to get things together for a group that will be arriving in July to help with the outreach at the Tour de France, and also change the roof on the church. We praise the Lord that one of our supporting churches is helping with the expense of the materials for the roof.

Tour de France

We are looking forward to the Evangelistic outreach at the Tour de France again this year. The Tour will be going through the town of Luchon where we started services last year. Please pray that we will souls saved as a result from the tract distribution. Each year we are encouraged by the many opportunities to share the Gospel. It is not too late to come help if there is any interest in serving the Lord through this unique experience.
