Oh, how busy life has been! The Lord has been good and faithful to answer our prayers. In July we had a missions team come help in the ministry. We were able to distribute 6500+ tracts between the two days at the Tour de France and other evangelistic outreaches. Praise the Lord for the responses we have received. With the team's help, we

Distribution at the Tour de France were also able to change the roof of the church. It was a major project, but there are no more leaks. The team also helped paint the entry and completed other odd jobs around the church. Two of the young ladies (graphic design artists) were able to finalize discipleship material for us that we will begin to use this fall with the children of the church. Another great blessing was the salvation of Agnes recently. She has started coming to the meetings in Luchon. She prayed to accept Christ as her Savior on a bench in front of City Hall. Praise the Lord!

Baptisms

What a great many blessings we have received recently! Two ladies of the church made decisions to be baptized and on two different Sundays in July we had the chance to celebrate their baptisms. Sylvia has been coming to the church for several years after having trusted Christ as her Savior with me during revival meetings. Anne-Marie has been coming to church for a year and a half and has been doing discipleship lessons with Melissa after having trusted Christ as her Savior. Praise the Lord!
