#### Bible Expo

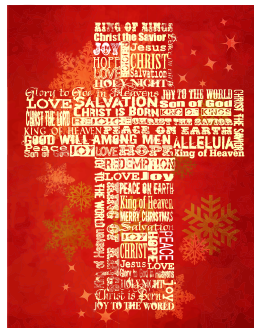

would not be able to accomplish what the Lord has called us to do without you. As was mentioned in our last prayer letter, we were concerned that we would lose use of a meeting room for the services in Luchon. We no longer have authorization to meet where we were meeting. Please pray that the Lord would lead in how to proceed in this situation.

We praise the Lord for the great start to the Bible Club this year. Pray that the Lord would use this time and the children come to a saving knowledge of Christ. Most of the children are coming from un-churched families. This is a true opportunity to reach them with the message of the Gospel.

#### Bible Club

Please be in prayer for Dave's mom as she will be having surgery in the next month on two brain aneurysms. Pray that the Lord would protect and also give wisdom to the surgeon. Pray also for protection as Dave will be traveling back to the US for the surgery.

#### Pause Café

As we do every year during the Christmas market in Saint-Gaudens, we will again have our Pause Café. Please be in prayer for us the week before Christmas as we share the message of Christ with those who come to the church for a free coffee. Each year we always have a good response from those who come. Please pray that we would have good weather and that we would see many visit the church not only to be warmed by the coffee, but also to find Christ.
