January - February 2017

PRAISES and REQUESTS

- Praise the Lord that Dave's mom came through her surgery in November without any problems.
- Praise the Lord for the visitors at church that we have had the past several months.
- Praise the Lord for the new deacon in the church.
- Pray for those who lost loved ones in the church.
- Pray for the evangelistic outreach that we will be having in March.
- Pray for my trip to Ivory Coast and that the class in the seminary will go well.
- Pray for spiritual growth in the church of Saint-Gaudens.
- Pray that the Lord would continue to help Dave's mom to recover completely from surgery.

Ivory Coast

In March, I will be traveling to the Ivory Coast to help Bob Mach in the seminary that the Lord allowed him to start this past year. Please pray that while I am there, the Lord would protect me and bless the students. The class will cover the doctrines of the Bible and the Trinity. This is the first time that I will be traveling to Africa, I am very excited to see what the Lord is doing there.

The Lord has been good to us and the ministry over the last several months. There have been trying times, but also blessings that we have received. One of those blessings that we received was the marriage of a young couple in the church. They have been in the church for more than a year and have made progress in their spiritual lives. We are grateful for their decision to walk with the Lord and establish a family based on the Word. Pray that they would continue to grow in the Lord.

Goodwin and Laurie

Ian and Karis

There have been a few struggles recently. Several people of the church have either faced major health problems (cancer) or lost loved ones in their family. Please pray that the Lord would encourage those who are mourning the loss of a family member and that he heals those who are suffering physically.

Through these experiences, we have seen God uphold those who are going through difficult times and also give us wisdom in how to minister to their needs.
