

THE · PRICE · UPDATE

November - December 2017

God has been so good. We have seen Him provide in so many ways during the last two months. With the Christmas season approaching, we are counting our blessings. We are looking forward to spending Christmas with our family this year. This will be the first time in years that we will be able to do so.

Please be in prayer for our church in France. The church is doing well, but dealing with several difficulties while we are away. The missionary that replaced us while we were away had to leave because of his daughter's health. Please pray that the Lord would show mercy and spare her life according to His will. Several men of the church have stepped up to the challenge and are taking on the

responsibilities of preaching for the remainder of our furlough. Please pray for them that the Lord would lead them. Please also be in prayer for them as they are also facing major health problems personally or in the family.

Furlough

The Lord has been so good to us while we are on furlough. We have been able to visit a majority of our supporting churches. Though we would like be able to visit every single church that is supporting the ministry in France, we are not able to do so with the limited time that we have in the USA. We are currently visiting with 50+ churches during our 5 1/2 month furlough. Thank you for your prayers while we travel.
