

THE · PRICE · UPDATE

January - February 2018

What a great blessing to be back home in France where the Lord has called us to serve Him! It has been great to be able to reconnect with the people of the church and see their spiritual growth. As we get back into the swing of things, we are praying that we are able to restart some of the ministries of the church that were put on hold while we were in the USA: the services in Luchon start again the first week of February, the Bible Club for the children will start next month and the Bible Stand will start at the market as soon as it is not raining or snowing.

We are excited about the revival that will be held the first week of February. Please pray that the Lord would move greatly during this time and that we would see fruit.

Please also be in prayer as I will be traveling in March to teach at a Bible Institute in northern France. I will be teaching an introduction to theology and the doctrine of the

Furlough

54 Churches visited,
20,000+ miles driven,
And a lot of great memories!

Trinity. Pray that if the Lord would allow that I would be able to recruit a summer intern at the same time.

Furlough

The Lord blessed greatly while we were on furlough and protected us as we traveled more than 20,000 miles and preached in 54 churches. We were in 43 of the lower 48 states during our 5 ½ month furlough. What a great blessing to see most of our supporters and also visit new churches! Please pray that the new churches visited would begin to support the ministry in France and that the needed support would come in.
