

THE · PRICE · UPDATE

July - August 2018

The Lord has been so good to us since our last prayer letter. The 30,000 John and Romans for the outreach at the Tour de France arrived safely. Thank you to those who gave to help cover the shipping cost and import taxes.

Another recent blessing was the visit of Temple Baptist Church. A team from the church helped with several projects. Just to list a couple of the projects accomplished during their visit: a closet was built, the ground floor of the church was painted, several thousand pieces of literature were distributed and overall a great time of encouragement in the ministry.

Church service with the visiting team from Temple Baptist

- Praise the Lord the financial gifts that were received to help pay the shipping costs and import taxes.
- Praise the Lord the different missions teams that have been a great blessing this year.
- Pray for those with cancer in the church.
- Pray that we would see souls saved for God's glory.
- Pray for the outreach at the Tour de France on July 24-26.
- Pray for the three day Bible club on July 18-20.
- Pray for the church men's retreat on July 6-7 that it would be an encouragement.
- Pray for strength to maintain a busy schedule.

Though there are many blessings, there are also burdens. Please be in prayer for several of the church who are experiencing difficult times. Four people in our church are battling cancer. Pray that God would place his healing hand on them. Please also be in prayer for two people who recently made professions of faith, but are experiencing spiritual attacks because of their past lives in the occult.

Mission Teams at Tour de France

Please be praying for us as we receive a missions team July 14th for two weeks. They will be helping with painting the top floor of the church, 3 day Bible club and outreach at the Tour de France. We will be very busy during this time and need your prayers that God would protect and lead. Please also pray specifically that God would begin to prepare the hearts of those who will receive gospel literature at the Tour de France. Each year, new contacts have been made through this outreach.
