College Team

In July, we will have group of college students from PCC coming to help with renovation work, VBS and our Tour de France outreach. We are looking forward to the group being here. They are always a source of encouragement for us and the church. Please be in prayer concerning the Tour de France outreach. The Tour does not stop for long in our area so we will not be able to do as much outreach as we normally do. Pray that God would lead us to those who are open to the Gospel.

What a great privilege it is to serve the Lord on the mission field in France! We have had several people begin attending the church through the contact of others already attending. It is a blessing to see them reaching out. The church had a special Sunday with an emphasis on biblical prophecy in May, which was a great encouragement. The guest speaker was with us two years ago, and made the comment that he was encouraged to see growth in the church in both numbers and maturity.

We have also been greatly blessed by a young American couple that is staying with us. They have

been here for two months and have four weeks remaining. Pray that the Lord would direct in their lives concerning His will.

A trial that the church has gone through recently was the death of one of the founding members of the church. Please pray that the Lord would comfort the hearts of her children and husband. Pray also for those who were in attendance at the funeral that were not saved. Pray that they would remember the message of the Gospel preached and trust Christ as their Saviour.
