What an amazing opportunity it is to serve the Lord in France. We have seen the Lord bless in many ways since our last prayer letter. One blessing was the different people who have made professions of faith recently. The sister of a church member began coming to church the beginning of the year and trusted Christ as her Savior in January. Pray that she would grow in her new found faith as we work through discipleship material with her. Two preteens also made professions of faith with me as we worked through a lesson on faith. They are also working through children's discipleship material with me each Sunday afternoon. Please pray that all of these people would stay faithful to the Lord.

This June, I will be going to Zambia with several other pastors to help train national pastors and spread the Gospel. Please be in prayer that this trip would be a great blessing to those who we will be visiting and also that the Lord would continue to provide for the trip itself.

Revival Services

Please be in prayer for us as we hold special services at the church from March 15-17. We will be inviting contacts to come and hear the messages brought by an evangelist, distributing invitation and placing posters throughout town for the services. Pray that the Lord would use this time to encourage our church and that God would work in our hearts. Pray also that we would see souls saved for His glory through the preaching of His Word. Please pray specifically for me as I will be translating the messages in French. Pray that the Lord would give clarity.
