What a wonderful blessing it is to be able to serve the Lord in France during this period of uncertainty! It has been a great privilege to be able to see God working in the hearts of people who are seeking the truth. Since the end of the first lockdown, we have been holding three services over the weekend to be able to get all the people of the church into the building. We have seen an increase in the attendance of the church, with new people coming and others being able to be more faithful because of the different options of days and times. This has been a great help to several ladies of the church who are married to unsaved men.

A great blessing that we had recently was being able to travel and participate in a Pastors' Retreat with other independent Baptist pastors in France. Praise the Lord for the good meetings and fellowship that we had while there. We were also able to be involved in a Choir Camp right before France went into lockdown. Melissa was able to sing in the choir while I did the recording that will be used to produce a CD.

LOCKDOWN !

As of the end of October, France is under a new lockdown because of COVID-19. Please pray that the Lord would continue to protect the people of the church both in their health and economically. Many are self employed or unemployed so things are quite difficult for them. Please pray that the Lord would provide for their needs. The government is saying that the end of the lockdown will be the beginning of December, but there are already talks of extending the lockdown. Pray that the people of remain faithful to the Lord also and continue to follow the services online.
