

THE · PRICE · UPDATE

July - August 2021

The Lord is good! We had a great turn out for VBS last month. The Lord blessed as we saw the children asking serious questions about their relationship with God and different things happening in the world. Please pray that the Lord continues to work in the children's heart. Please pray also that we will not have any new restrictions this Fall and we would be able to start

PRAISES and REQUESTS

- Praise the Lord for the Gospel of John and Romans that were distributed at the Tour de France.
- Praise the Lord for the great turn out for VBS.
- Praise the Lord that we were able to restart youth group activities.
- Pray that new restrictions would not be put in place that would inhibit the activities of the church.
- Pray for those who are sick in the church.
- Pray that we would see souls saved for His glory.
- Pray for safety during this difficult time in France.
- Pray that the demonstrations that are happening would not cause us difficulties.

the Bible club as scheduled.

Thank you for your prayers for the outreach at the Tour de France. This year was a bit disappointing in that it rained all day and we were not allowed to get close to the finish line where the few in attendance were present. The government instituted a vaccination pass, which limited our access.

Please be in prayer for the church in Saint-Gaudens. Over the last several months, we have lost several families for multiple of reasons (work, difference in convictions, etc.) Pray that the Lord would allow us to see souls saved through the outreaches of the church.

Health Pass

As I write this prayer letter, France has entered into a new phase in it's fight against COVID-19. A recent law requires a health pass to have access to certain services (hospitals, doctor's offices, gov. offices, etc.). As of right now, churches are not being required to check if those in attendance have a health pass or not. Please pray that this does not change and that people would be able to freely come and worship our great God.
