November - December 2021

PRAISES and REQUESTS

- Praise the Lord for a good start to Bible club this year.
- Praise the Lord for the faithful attendance to the services of the church recently.
- Praise the Lord for His safety while traveling for conferences and teaching.
- Pray for those who are sick in the church with cancer.
- Pray that we will not be put under another lockdown.
- Pray that we would see souls saved for His glory.
- Pray for the unrest that we are seeing in France.
- Pray for continued provision for ourselves and the ministry.
- Pray for the trip to Africa in March 2022.

With the end of the year arriving quickly, our thoughts begin to gravitate around the holidays that we will be celebrating. As we do every year for Thanksgiving, we will be celebrating with others and expressing our thanks for the many blessings that we have received this year. One blessing that we have received not just this year but for the many years we have been on the field is your faithful prayers and support. We are truly blessed by all those who pray and give which allows us to serve God in France. Thank you! Please pray that as we share Thanksgiving with those at our table that they would truly understand the reason that we are celebrating. We intentionally invited unsaved friends and will be ten around the table this year. Pray that God would open their eyes to their need of a Saviour.

We are also looking forward to the Christmas holiday. We will not be able to host our Pause Café again this year because of the sanitary restrictions, but the people of the church will be handing out special Christmas tracts, cards and calendars to their friends and family. Pray that God would touch the hearts of the lost through this outreach also.

Bible Club

Africa and Teaching

It may be a bit early to mention my trip to Africa since it is not until March 2022, but please begin to pray that the Lord would direct and prepare my trip. I will be going to Ivory Coast again to teach in a Bible college that Bob Mach started along with visiting a work that our church in France has helped over the last several years. There is also an opportunity for me to go to Togo and encourage pastors through training sessions and preaching. Please pray that the details concerning Togo would fall into place to be able to encourage the believers. Pray that the Lord would provide the finances needed for the trip so that it would not be a burden on the African churches.
