As summer settles in to stay in southern France, we are looking forward to the kids finishing school on July 5 and the start of summer activities. Life is a bit slower during the summer in France with many businesses and government offices closed, but for us, we have found it to be a

great time of ministry. Please pray for the different activities that are planned. We will be participating in a conference on July 7-9, Tour de France outreach July 20-22, Missions team from the USA July 23-30 and family camp August 22-27. As we are involved with the organization of these activities, please pray for safety and that the Lord would work in a great way. Pray that the unsaved who we come in contact with during these events would trust Him.

Please pray for the church during this summer also as many will be away for vacation. We have been encouraged with new people coming to the church. Pray that people of the church would grow in their desire to share God's love to others.

### Tour de France Outreach

What a great privilege it is to share the Gospel of Jesus Christ with the lost! There is nothing more exciting than to see someone come and trust Christ as Saviour. Please pray for the outreach that we will be having July 20-22. We are praying that we will be able to distribute several thousand John and Romans and that we would see souls saved for His glory. A big thank you to the Pathway College Ministries team that helped prepare the John and Romans for distribution. Pray that we would have a good turnout and also for good weather so that we can reach a maximum of people with the message of salvation.

### Fellowship Meal
