It is hard to believe how quickly this year is coming to an end! As we look back, we see God's blessing and His wonderful

work being accomplished in our family and the church in Saint-Gaudens. What a blessing to see several of the church start serving in the different ministries and outreaches of the church! Pray for the men who have started serving in the service (song leading, etc.) that they would remain faithful and be open to future ministry opportunities.

As you see from the photos, we had an opportunity to visit Paris. We were there for an annual fellowship meeting, where I was asked to preach. Praise the Lord for the encouragement it was to be with fellow pastors and missionaries.

Please be in prayer for the outreaches of the church. We will have a Bible Expo on 11/21-25. Pray that many would hear the Gospel and be saved. Pray also for our Thanksgiving meal. We will have about 15 around the table to share this special time. Most are unsaved and we will have the opportunity to share God's love. Please be also in prayer for our Christmas celebration on 12/18. The service will be in a "salle des fêtes" along with a fellowship meal. We will be inviting friends and contacts to come for this special day. Please continue to also pray for the "normal" activities of the church: Bible club, youth group, soul winning etc.

Merry Christmas

Thank you for your faithful prayers and support during these uncertain times. We are grateful for all that you do.

Bible Institut, Africa...

Over the next 10 months, I will have an opportunity to serve in different ministries in France and in Africa. Please pray specifically that God would provide for the trip to Ivory Coast. Pray also for strength and guidance in these different ministries at the Bible college and conferences in France. Pray that the Lord would direct as I finish preparing the different classes for the students, that they would be able to grow in their understanding of the Word of God.
