

THE · PRICE · UPDATE

January - February 2023

It is hard to believe that we are already in 2023! The Lord is blessing in the church of Saint-Gaudens, and we are encouraged by what we see. We recently added six new members to the church! Another encouraging aspect of the ministry is that two men of the church are beginning to share short devotionals and help with the song service. One in particular feels the Lord working in his life to serve Him in the ministry. Pray that the Lord would lead and direct as they begin to serve more in the services.

PRAISES and REQUESTS

- Praise the Lord for new church members.
- Praise the Lord the two men who desire to serve the Lord in church.
- Praise the Lord for the Bible club.
- Praise the Lord for the recent visitors at church.
- Pray for souls to be saved for God's glory!
- Pray that God would provide for the trip to Ivory Coast in March 2023 and also furlough July and August 2023.
- Pray that we would get government permission concerning our income.
- Pray for growth and maturity for the people of the church.

On another note that is a bit more difficult, the new laws concerning the church have begun to go into effect, and we are having to follow new procedures. One of these new procedures is that we have to declare to the Interior Minister our income so we can receive authorisation to continue. Please pray that there will not be any opposition, and that we would be able to continue serving the Lord in France. The government is in God's hands and we are trusting Him in this matter.

Africa, Furlough...

This March, I will be heading back to Ivory Coast to teach in the Bible college in Bingerville. Please pray that the Lord would bless and provide financially for the trip.

Thank you also to those who have contacted us concerning visiting during our trip to the USA in July and August. Pray that the Lord would lead as we finalise the plans in the coming weeks.
