What a wonderful Father we serve! The last several months have been very busy for us, but the Lord has been good, giving us the strength to get what needed to be accomplished done. Please be in prayer for the church during the first week of June. We will be having revival services with Randy Chovan. Pray that this time of teaching would encourage believers, convict of sin and draw the lost to Christ. Please also continue praying for the young lady who is going through discipleship with Melissa that she would continue to grow in the Lord. We are encouraged lately to see several men of the church take on bigger responsibilities in the church. Praise the Lord for this big blessing for the church!

In June, we will be hosting a missions team that will be helping in renovations in the church building. We are planning to tile the entry of the church, finish the drywall in the stairwell, replace some roof rafters that are suffering because of age, finish trim work around the church and other jobs. Pray for safety during this time.

### Residency renewal

On the 3rd of June, we will be submitting a request to renew our residency cards for another ten years. Please be in prayer that all will go well during the renewal process. Over the sixteen years we have been in France, the Lord has been faithful in keeping the door open for us to serve Him on this mission field. During our time here, we have seen things getting more difficult with the French administration, but God has allowed us to continue to minister.
