- Praise the Lord that our residency permit has been renewed.
- Pray for the outreach at the Olympic games in Bordeaux.

God has been so good! The ministry has been extremely busy lately with groups coming from the USA and everyday normal life. One great blessing in July was a group from PCC coming to help with the Tour de France outreach.

We were able to distribute more than 3,000 John and Romans. Please pray for the many conversations that we had with the spectators, that God would work in their hearts.

Another recent blessing was the revival meetings that were held in June. The Lord used this time to work in the hearts of the people of the church and others who came to the church for the first time during the revival. Pray that the decisions made would not be forgotten and that the church would continue to grow spiritually.

Praise the Lord with us also that we received our residency permits. What a great blessing that everything went smoothly!

### Church renovations

Praise the Lord for all the work that was accomplished during the time that the missions team from Grace Baptist Church was here. The entrance was retiled, electrical problems fixed, stairwell finished, data cable install for live feed and sewage line fixed. There were many more things accomplished, but these were the major projects completed. We thank the Lord for this great blessing!
