Ivory Coast Trip

Praise the Lord for all that was accomplished during this trip to Ivory Coast. What a blessing it was to teach on Bible doctrines. Pray that God would continue to work in the hearts of these future church leaders in Ivory Coast. Pray also for calm during the next presidential election in October 2025. I will be heading to Ivory Coast again in April of 2026.

What a privilege to be able to serve the Lord on the mission field! We are able to be involved in so many aspects of ministry that there is never a dull moment. It is a great blessing to see people of the church growing in their faith. We have seen several people in the church persevere through spiritual trials and health problems. It is an encouragement to see them decide to serve God regardless of what it costs.

Before and After

In February, we were blessed to have a couple from the USA come and help with renovations in the church building. The building is several hundred years old, which means there is always something that needs to be done. We were able to replace damaged wood in the roof, paint, clean, patch holes in

walls, and replace a door, amongst other things. What a great encouragement to have help in these projects!
