### Tour de France

We are gearing up for the Tour de France outreach on July 18-19. Please be in prayer for us as we go and share God's saving message. The question was asked of me, "Why do you do this outreach?". Here was my answer, "A couple years ago, I was preaching a conference in a church in Paris and a man came up to me and showed me a tract that he had received at the Tour de France when he was on vacation in southwest of France. It was a Gospel tract that our church had shared!" Pray that we meet another man this year. Our responsibility is to sow the seed and God brings the increase.

During the summer in France, the cities and towns empty as everyone heads to their preferred vacation spot. Life slows down as most leave for the summer holidays. During the summer, the church also has a different rhythm. Many leave for vacation and every Sunday the question is: Who will be gone and who will be here? As the people of the church travel to different places, pray that they would continue to

reach out with the Gospel where they are.

For us, on the other hand, Summer is a very busy time with Camps, Conferences and visitors from the USA. Pray for us that during this busy time, we will also be refreshed physically. As in most churches, there are always difficulties, pray that God would give wisdom in helping those who are suffering physically and spiritually.
