Storm Damage

On Jan. 8, a wind storm came through our area. Part of the roof over balcony was ripped off. The rain damaged the ceiling and flooring in the auditorium. Pray that our insurance covers the damage and that the reparations would go quickly. Praise the Lord for the men who responded quickly to save from more damage.

Christmas Choir

The Lord is good in all times! What a wonderfully busy time the end of the year was for us with family coming to visit for Christmas and also the different outreaches of the

church. Whether it was the Pause Café, the Christmas Service or the Christmas Carol Service, we had first time visitors who were able to hear the Gospel presented. Pray that these new contacts would trust the Lord as Savior.

Christmas Service

Please continue to pray for the church plant in Saint Gaudens. We see some spiritual growth along with an increase in attendance, which is encouraging. Please also pray as I will be teaching a Bible college class each Thursday during the first quarter that God would give wisdom and direction.
