Dear Praying Friends,

Bolivia

We have received word of great growth in the work in Bolivia. New works are being started and the need for trained men to lead is great. Matías, Samuel's brother-in-law, is planning to leave for the US in July and he would like us to come down and help out while they are taking a years furlough. We trust the Lord to allow us to make it down to Bolivia as soon as possible.

Here in Bradenton

Thursday night we had a house service in the home of one of the Guatemalan men who has been attending church. The other 7 men who are living with him attended and were responsive. The church is beginning to have some stability and we are praying for someone to help Brother Dave, the man who will be in charge, when we leave. Pray for the salvation of Perfecto and for Christian growth for Tanislao. Pray especially for David Perez as he matures in the Lord that God would give him wisdom in directing the church.

Family

This last week all of the kids were together here and we got a family photo. Christa will begin nursing at a hospital in Greenville, SC. Angie is here with us till we leave in July and is working. We are still anxiously waiting for Samuel and Beth's baby to be born. She is expected any day now. We would appreciate your prayers in finding a good therapist in Bolivia for Cherie. Micah is working around the missionary village at odd jobs.

Mission Board Change

We have changed mission boards during the last months. We are now with World Wide New Testament Baptist Missions out of Kings Mountain, North Carolina. Our home pastor, John Vaughn, recommended the change because of the close working relationship that Faith Baptist (Greenville) has with WWNTBM. Our dear friends at BIMl have been very supportive of us in the change of mission boards.

Puerto Rico

We hear reports that the work in Puerto Rico continues strong. The churches report growth and the pastors are being faithful to the Lord. Continue to pray for Pastor Carlos and Pastor Efraín. The work is difficult and the devil is active in discouraging leadership.

We appreciate each of you who support us and who have stayed with us during the many changes of this year. The Lord has always been faithful to supply all our needs.

Your missionaries,
The Rackes
