July 2003

Dear Praying Friends,

Our departure date for Bolivia is July 29th! We are trying to get some packing done between other responsibilities. The Lord gave us good prices for the tickets for which we thank Him.

May 25th was the long awaited day of the birth of our 1st grandchild, Bethany Nicole Rojas. She is so precious to us and we are enjoying every minute we can squeeze in to be with her.

We had a good week of VBS at the church we are attending here in Bradenton. We were asked to do the missions section of the program, we enjoyed working with the kids.

For three Thursdays, we have had a Bible Study in the home of one of the men attending the Spanish church. Rudy had a house full of people waiting for us. The majority of them are unsaved, but is searching for spiritual peace. Last week we had 24 in the Spanish service, and the work is beginning to grow. Pray for the salvation Rudy and Alex's families. David Perez will be left in charge of the work when we leave and we are praying for faithful men to help him in the ministry.

Micah has been busy this summer training for and teaching 5-day clubs in the Avon Park area. He has been staying with his grandparents and has been able to lead several children to the Lord. Micah and his cousin Andrew have been teaching between 4 and 5 clubs a day. Cherie is taking her last physical and occupational therapy sessions before we leave for Bolivia. She has enjoyed her friends here in the missionary village. Pray for Cherie that she would be greatly used of the Lord. Christa has begun full-time nursing in Greenville and Angie continues her job here until we leave.

We have heard that the churches in Puerto Rico had a successful summer camp program. Please continue to pray for the churches and pastors there. May the Lord richly bless each of you for your faithfulness to Him.

Your missionaries,

The Rackes
