Dear Praying Friends,

We praise the Lord for giving us a safe trip to Bolivia. We are beginning to adjust to our new home. The Bolivian people have been very gracious and have accepted us in a very loving way. Micah and Cherie have found many friends and are taking to their new home. We have changed Cherie's name to make it easier for the Bolivian people to say. She is now Anita, the Spanish form of Anne, her middle name.

We have found there is much to do here. The laborers are few and the work almost overwhelming. We need wisdom and faithfulness. We are working in a Christian school. It is truly a ripe field with over 200 students and many lost parents. The people at this point seem eager to be taught and trained.

There are also six works that we will be helping to supervise and several new works with possibilities. In a sense, it is a church planter's dream come true. As in all of God's work, we need to have the Holy Spirit's direction. Please pray.
