December 2006

*"But thanks be to God, which giveth us the victory through our Lord Jesus Christ."
I Corinthians 15:57*

Dear Praying Friends,

Today is Thanksgiving and we have much to be grateful for. One of the most wonderful things we can thank God for is the victory we have because of our Lord Jesus Christ.

In our last letter, we asked you to pray for the salvation of Francisco and Victoria. Victoria was saved a few weeks ago and has been faithful in the services. Francisco is more open to our friendship and discussing spiritual things. Continue to pray that he will commit his life to the Lord.

There is another couple in the Grace church, Francisco and Marioli, who have been having serious problems in their relationship. Francisco was saved about a year ago and has been very faithful to the Lord. Even through the trials with his wife he has remained true to the Lord. His wife had stopped coming to the services because of their problems, but has begun attending again. They would appreciate your prayers.

Next week the Christian school will have their first graduation service. Several of the students are strong Christians and we trust the Lord to use them in His work. When school begins in February again, David will not be the administrator because of wanting to spend more time in the churches. A Bolivian man will take over his place for the coming year.

David has been asked to speak at the graduation party of one of the girls in the Toronjal church. Many of her friends and family will be there to hear the gospel. Pray that the Lord would touch lives that night.

David's family visited with us for a week recently. We had a great time and were so glad to be with them if only for a short time. Angie had a super time with her cousin, Anna, after not being together for several years. We are grateful to the Lord for allowing them to come to visit with us.

Thank you for your prayers and support of the ministry here in Bolivia. We know we need the Lord's intervening in the lives of people here to change their minds about the truth of the gospel.

With thankful hearts,

David and Heidi Racke
