Dear Friends,

March 2010

Here are some of the things that have been going on in the work here in Bolivia. We appreciate each one of you who remember to pray for us.

1- These are some of the young men from the soccer team from Grace Baptist Church. (27 de Mayo) Pray that these young men that have been saved will continue to be faithful and that the unsaved will see their need of salvation. We have found soccer to be an effective tool for evangelism and discipleship. Leandro, one of the teens who was saved about a year ago, has an aggressive case of leukemia. Pray that God will be glorified through this trial. (He is in the back row, center)

2- During a recent chapel service around 40 students came forward for salvation after a visiting missionary spoke. Pray that David will be able to disciple these and that they will get established in good churches.

3- We had a 16th birthday party for Cherie and had a great time. It has been 11 years since she was operated on to remove a tumor in her head. We praise God for His goodness in her life and

for her love for Him. We are praising the Lord for providing a good therapist for Cherie.

Please continue to pray for Luis and Katia's salvation, and our neighbors – Ramiro and Lourdes and daughter Paulina's salvation

4- Praise

We have a new grandson – Jordan Levi Rojas!

5- A building for the Toronjal church (Picture of lot the church has which needs filling and building)
