the Racke Report

In all thy ways acknowledge Him and He shall direct thy paths. Prov. 3:6

We are looking forward to the month of October when, Lord willing, we will be participating in two missionary conferences. The 13th through the 17th we will be at Faith Baptist in SC and then will spend 4 days in NYC at Calvary Baptist. We look forward to seeing many friends again and being involved in the conferences.

Then at the end of October we have been invited to Puerto Rico for the anniversary of the Iglesia Bautista Cristo Rey, which began in our home 25 years ago. It is the first time we have been back to Puerto Rico since leaving ten years ago. We will also have services in the church in San Sebastian where we worked for several years.

Cherie has been in Brazil since August and will be there until November taking Child Evangelism training to better teach children. She had planned to go to college in August, but she felt the Lord would have her take this training. She is learning Portuguese and we are excited about the opportunity the Lord has given her.

It has been a blessing to us to be involved in the Spanish church here in Bradenton, FL. The church is beginning a new Spanish ministry in Ocala, FL. Last week 2 people were saved. David preaches frequently and Heidi is teaching a preschool class.

In March and April we are planning a trip to Peru to help in the ministry. We would appreciate your prayers that we will know where the Lord would have us minister this next term. The fields are white and there are many opportunities to serve. We just want to know exactly which one the Lord would have us to take.

The Toronjal church in Bolivia is doing well. There are new people attending and the inside of the church is being painted. They are having a soccer tournament in the neighborhood to get to know some of the young people in the area and are having their anniversary this month.

Christa and Fernando's wedding went well and we are praising the Lord for bringing them together. It was great to have the whole family together.

Thank you for your continued prayers. Even though we are not on the field at this time while we are getting Cherie situated in college and visiting our churches we desire that God would use us wherever we are. We appreciate all of you who support us financially and thank the Lord for each of you.

Hoping to see many of you soon.
