

# RACKE NEWS

MARCH, 2013

JANUARY 12 - We arrived in chilly Cuzco, Peru.

For 2 months the Lord gave us the opportunity to minister in Peru. It has been a blessing to see how the Lord is working and the many open doors to spread the Gospel in this area. Many people are anxious to hear God's Word and are responding to the salvation message.

The week we arrived was Vacation Bible School. Around 150 kids attended and several made professions of faith.

David attended a wedding where there is a need for sound teaching and a children's ministry.

The next week David was the speaker for a pastors conference in Urubamba. Pastors from different parts of Peru attended. It was a time of refreshment for them and a blessing to get to know many of them and learn about their ministries. The next week was family camp and David spoke about family relationships, raising and disciplining of children, and was able to counsel during the week.

The 2<sup>nd</sup> year of the Heroes of Faith Christian School began March 4 with almost 50 enrolled. David did the chapel services and we were both able to help with the preparation of the school year. David also did teacher's training classes for a week before school began.

Primary School

High School

Teacher's Training

The Lord gave us some special people to help during our time in Peru. Jorge and Nuria are new believers and the Lord gave us a friendship with them and the opportunity to help them spiritually. They are a testimony to how God can completely change a person's life.

### Prayer requests:

Tomás - David led him to the Lord - pray for his spiritual walk with God

Rafael - Salvation

God's direction in our lives that we will know exactly what and where He wants us.

God's direction for our youngest daughter, Cherie, as she will be staying here in the States

We are thankful also for the wonderful time we had with our daughter, son-in-law and grandchildren and are glad the Lord is using them in a great way.

David on the radio

Thank you for your prayers and support. The Lord is good!
