NEW TESTAMENT BAPTIST MISSIONS

October 2013

PO Box 725
Kings Mountain, NC 28086

Dear Praying Friends,

We have been encouraged by the many of you who have shown your support during this time in our lives. We were to return to the field in July of 2013, but have been delayed because of a negative medical report David received. His PSA blood test was very high and in an MRI we had taken a tumor was found in his prostate. We then had a biopsy done and thank the Lord no cancer was found. Thus we are back on track to go to Peru.

During our delay time here in Bradenton we have seen the Lord begin a Spanish ministry at Trinity Baptist Church and there are some young men (our son-in-law Fernando included) who will be able to continue the ministry.

We are scheduled to be in a missionary conference in November and then plan to spend Christmas with the family here in Bradenton. Our scheduled departure date is December 31, 2013 arriving in Peru on January 1, 2014. Please pray for the many changes we will be facing including finding a place to live, etc. The Lord is good.
