

The Rackes in Urubamba, Peru

January, 2014

GETTING SETTLED

On January 1st we arrived in Cusco, Peru. The Lord has helped us get adjusted and given us strength through this first month. Finding a house was our first task and we were thrilled to find a small house with the bathroom and bedrooms all in the same building (which is uncommon here) the first day we went house hunting. The house comes with its own sheep and a large acreage of corn and 3 dogs. We live on the property with 2 other families. It is about 15 minutes walking distance from the school and church we are attending now.

The house the Lord supplied for us.

DECISIONS

The 1st Sunday we were here, Tomás, a man that David led to the Lord last year when we visited, was baptized. He had been in the church for years, but had never been saved. Also last Sunday the Lord gave us the privilege of leading Berta to the Lord. Pray for her husband's salvation and for her son Martin. David also was able to do counseling with several couples in the family camp last week.

VACATION BIBLE SCHOOL

This week is Vacation Bible School at the church here in Urubamba. There are around 100 children attending and it is a blessing to see the young people of the church helping in this ministry. We are enjoying the good singing, preaching and fellowship with the members in the church here in Urubamba.

OLLANTAYTAMBO

Our main reason for being here is to begin a church in Ollantaytambo. We have met with the Christian lady, Paulina, who works there and have discussed possibilities of ways to begin. We would like to take in a team to work along with us and are praying that God would lead us in this endeavor. We will be returning to Bolivia in about a month to take care of some furniture and other things that we have stored there and when we return we will begin to work in Ollantaytambo. Please pray that God would give us wisdom as we begin this work. We can do nothing without His hand and we realize we are only instruments. The people are very idolatrous and are not real interested in changing. We would really appreciate your prayers. Thank you for your prayers and financial support.
