We have been in Peru almost 5 months and the Lord has given us a feeling of being home. We are thankful for the opportunity to be here.

In March we went back to Bolivia for 10 days and were able to be with our friends there. We visited the churches and David spoke at the Carnival camp in Samiapata. It was a blessing to be with everyone and see that the majority are being faithful to the Lord. We sold all of our furniture and other things that we had stored there. We worked it out with Christa and Fernando that we would be there at the same time they were visiting his mother, so we were able to spend time with them and little Nicole.

David is continuing to direct the school and teach and Heidi is teaching English to all the grades. The kids are a blessing to be around and many of them are striving to serve the Lord. Last week the school took a day off to take time to pray and have a spiritual emphasis. We are trusting God to do a real work in the students' lives.

Spiritual Emphasis Day with the High School Students

In July a group from Faith Baptist Church in South Carolina is bringing a young people's group. During this time one of the things we have planned is for them to help us cover the town of Yanahuara with tracts. Lord willing, we would like to begin a work in this town that has no evangelical church. **Please pray that God would raise up a work there in Yanahuara. It is very close to Ollantaytambo another town we have a burden for.**

**Prayer Requests**

- Gladys – salvation (a wealthy elderly woman that the Lord keeps bringing me into contact with)
- Salvation of unsaved students, especially David, a high school student
- For our residency papers (we have to leave Peru every 3-6 months)
- Government permits for the Christian school
- That God would raise up laborers for unreached towns

Ladies Meeting at New Life Baptist Church where Samuel is pastor

The Lord has allowed me to help our daughter, Beth, with ladies meetings in the New Life Baptist Church which has been a blessing and a lot of fun.
