Dear Praying Friends,

We praise the Lord for His goodness in recent months. We have had many opportunities to witness and have seen the Lord work.

The kids club in Yanahuara has started again in a rented building. Sergio and some of the seminary students have continued the work. Pray the Lord would continue to open that town.

Heidi recently led Janette, a public school teacher, to the Lord and she is excited about sharing her faith. She teaches religion in a public school and is now using some Child Evangelism materials in her school class.

David had a rather serious case of Typhoid this month, and we were basically out of commission for about 3 weeks. The Lord did give us opportunity to witness to doctors and patients in the different hospitals we were in. We want to thank those who prayed. Praise the Lord for His miraculous leading in the whole situation.

We have many new students in the Heroes of Faith Christian School this year. We are praying for their salvation and Christian growth. We are very grateful to each of you who had a part in the construction of the new building. Please pray for Javier, Ruth Ester, Camilla, Alexis, Abel, Angela and many of the other students for their spiritual conditions. We are praying that God will have His way in each of their lives.

During the middle of June, there is a 3-day evangelistic campaign planned. We are praying for our neighbors, Flora and Saturnino. for their salvation. We also are continuing the Bible study in our home every Wednesday night. We have invited a Catholic couple. They have their son in the school. The wife's name is Hilda. We would love to see them saved. We asked for prayer for Claudio in the last letter. He is still struggling with his drinking habit. We are praying for him.

We continue working with the young people this year in JVO, the young peoples' AWANA program. There are several kids who are coming from the street that need to be saved. Pray especially for Ismael.

We need the Lord's help daily to do the most important things among all the things that need to be done. Thank you for your continued support and prayer for us.

May the Lord richly bless you as you serve Him.
