Dear Praying Friends,

We would like to give an update as to what has been going on since we arrived in the USA. We do appreciate each of you who continue to support us, and especially those who are praying for us. We have had much happening. We praise the Lord that we were able to be here for the births of two more of our grandchildren and were also able to help in the complications that came with each. All the daughters and grandbabies are well now. Cherie had a girl on April 7th, and they named her Elizabeth Brook. Angie had a boy on April 24th, and they named him Joseph Levi.

On the ministry side the Lord has given us the opportunity to help in the establishing of a Spanish speaking church here in Bradenton. Our son-in-law, Fernando, is currently the pastor. He has asked David to co-pastor with him. David is presently teaching a young couples class, doing counseling, discipleship and leadership training with a group of about 10 to 15 young men and sharing in the preaching responsibilities in the church. David has also been helping Fernando with his bread route.

We have arrived at another point of change in our lives and are excited to see how the Lord will use us for His glory. Thank you again for being faithful in your support of us over these many years.

Prayer Requests:

- Mario's deliverance from drugs-We got him into a rehab center, and he left after 3 days.
- Daisy and Joel-growing young couple
- Jose and Elena
- Adela working with a lost family (She's the only Christian.)

Thank you for your prayers.

In Christ,
David and Heidi
