

# THE RHOADES MISSIONARIES TO GUYANA, SOUTH AMERICA

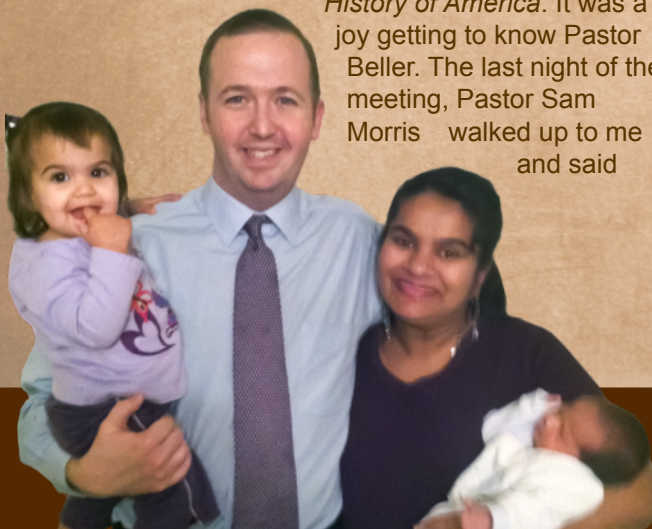

“ When I get to China, I will have no claim on any one for anything. My claim will be alone in God and I must learn before I leave England to move men through God by prayer alone. ”

J. Hudson Taylor

Dear Friends, Family, and Supporting Churches,

The month of May has been an exciting month. We have traveled to a mission's conference, a camp meeting, a pastor's fellowship, filled in for a pastor while he was out of town for a week, and presented in 4 other churches crossing 2,600 miles for the month. We are extremely thankful to have two more churches partner with us, Pastor Hatley of Fellowship Baptist Church in Maryville, Tennessee, and Dr. Stinson of Southside Baptist Temple of Richmond, Virginia! We had two other churches that voted to partner with us that will be sending their support in June. Our support for the month of May has increased from 10% to 12.6%. We were able to mail out over 500 packets to churches this month and look forward to completing a 1,000 packets mailing in the month of June.

I would like to take a moment to boast how Jehovah-Jireh has taken care of this family. We were invited to go to a Baptist History themed camp meeting that was a 12-hour trip one way. The pastor told me that they were concentrating on home missions, but we were welcome to come. We went up to the Baptist History camp meeting and arrived 2 a.m. Monday morning. It was a tremendous week! We were introduced to Pastor James Beller, the author of *AMERICA in Crimson Red, The Baptist History of America*. It was a joy getting to know Pastor Beller. The last night of the meeting, Pastor Sam Morris walked up to me and said

May 2013

“God told me to give this to you.” It was over \$500. The Lord used that to pay for our gas there and back. We were able to pay a bill on top of everything else. Jehovah-Jireh takes care of His children.

The second account that took place this month occurred a few days ago. We went to visit Trinity Baptist Church to hear Evangelist Max Alderman on Wednesday night. I called Pastor Wells to see if it would be okay to visit and hear Brother Max preach without imposing on the church. Pastor Wells said to of course come on over. Evangelist Max preached a great message concerning stewardship. When we had arrived that evening, our car's gas tank was on empty. We were preparing to leave after the service, and Pastor Wells said goodbye and shook my hand. There was enough money placed in my hand to fill up the gas tank of our car that evening! God never ceases to amaze me! Jehovah-Jireh takes care of His children! We are praising the Lord for when our support gets to 100% and we are in Guyana, South America planting churches with the national pastors.

Thank you for your prayers and support,
