

Dear Pastor, Friends, and Supporting Churches,

November was a tremendous month! I traveled with Pastor Barry Goodman and several men from our church to the Philippines. We had the honor of preaching at Christian Baptist Church with Pastor Sam Medina for their Servant Leadership Conference. I was in awe of the number of pastors that attended the conference. Their zeal, passion, desire, vision and goal to honor the Lord with their efforts was refreshing! It was amazing to meet the many men that have been trained by Pastor Medina. They have launched out and started new churches. We were blessed to be able to preach in several churches in the Philippines during our trip. With some of the churches, we met under a tent, under a tree, in an open area with chairs set out, in a concrete block building, at a basketball court that had previously used as the trash dump. It was a blessing to see how many of these churches are at capacity with their growth. At the end of our week in the Philippines, our group saw over 50 people ask the Lord to be their Savior! It was sobering to see how much these men can accomplish, with how little monetary funds they receive.

The exciting opportunity with financially supporting this Philippine Ministry, is that when support is received, it is shared with the network of 13 established churches, 4 mission churches and a Bible college. If you are interested in investing in the Philippine ministry, please send all funds to Faith Baptist Church, 2738 S. Post Rd., Shelby, NC 28152. Please designate it as Josh Rhoades - Philippine Ministry. All personal support should be directed to our mission agency, WWNTBM.

My next trip to the Philippines will be in May 2019 to preach in a youth camp at Malolas, Bulacan for Pastor Medina. The goal is to be able to sponsor 200 youths to attend. It will cost \$30 per youth for the 3-day camp. There will be multiple preaching services every day with a tremendous program scheduled. For many, it will be their first time having 3 meals a day. Pastor Medina and folks from his church will be cooking the food in order to lower the cost of camp. We have already begun planning and praying for this evangelistic opportunity in May. Pray for the Lord to provide and pray about joining me in traveling to participate in this endeavor in May 2019.

I would love to come and share this tremendous church planting ministry with you and your church family! Please feel free to contact me by phone at (704) 300-7247, or by email at [rhoadesjoshua@hotmail.com](mailto:rhoadesjoshua@hotmail.com) Thank you for your faithful prayers and support for our family.

Looking unto Jesus,

Joshua Rhoades, Philippians 3:10
