Dear Pastors, Friends, and Supporting Churches,

October 2020 was an amazing month in the open door of traveling opportunities the Lord provided and enabled! I was blessed to travel over 6,100 miles by car safely, and I traveled by plane to four mission conferences—a total of seven churches. I thank the Lord I was able to travel to New Mexico, Florida, Pennsylvania, and across North Carolina and be introduced to churches that are hungry to partner with missionaries around the world! What a joy!!! We are praying for and anticipating a good increase of monthly support for the Philippine pastors! We are currently scheduling for 2021. Please pray the Lord will fill our schedule for 2021 with opportunities to present this church planting ministry!

Pastor Sammy Medina and the other pastors of the Faith Baptist Church Philippine Ministry have continued in the midst of government-enforced quarantines that are lifted and then placed back upon the different regions of the Philippines. The Lord has been saving folks, and people have been getting baptized and added to the church family! We thank you for your prayer and financial support! There is fruit that is abounding to your account! I would like to share some pictures with you in this letter.

Looking unto Jesus,

Joshua Rhoades, Field Director, Ephesians 3:20-21

Dr. J. Barry Goodman
Pastor

Pastor Sammy Medina
National Director

Bro. Joshua Rhoades
Field Director
